Director's Report – Mr. Myers

Kids are doing well this season. Sanderson 2 days from now. East Lincoln cancelled so we chose Cary Band Day in exhibition. Our kids do a great job at being good sports with other bands in competitions. Message is “what is it that you didn't feel like you did well. Never point a finger.” Hope our parent community is always using appropriate messages in the stands. Parents can contribute to good sport mentality. We can redirect other parents. Positive sportsmanship.

Open Floor

We talked of sending off Cary High School with something before they leave for NYC.

Motion to end meeting Maressa. Seconded Jan.
