

## **Green Hope High School Band Patron Campaign**

The General Band Budget covers the overhead and administration of all band activities – concert, symphonic, marching and winter programs – insurance, office supplies, accounting, guest clinicians, financial aid, and instrument repairs run at an annual cost of about \$50,000. The Marching Band, Winter Guard and Indoor Percussion Fair Share only covers the day to day and week to week expenses of the respective programs for just that year such as the cost of summer band camp, the salaries of coaches and instructors and cost of food and transportation to and from competitions.

So as part of the General budget we have the Patron Campaign to help cover longer term expenses such as instrument purchase and longer term capital needs like Marching Band uniforms, trailer repairs/updates etc...

The band boosters determined that we need to set aside funds for long term expenses and with around 180 members in the band, the Band Booster's analysis shows we need to raise around \$50,000 per year. One of the ways we do this is with the Patron Campaign.

**Patron Campaign** - We are asking any Band supporters, parents, family members, and friends to be a Green Hope HS Band Patron by making a tax deductible contribution.

There are three levels of support:

Patron - \$100 - \$299

Patron of Music - \$300 - \$499

Patron of the Arts - \$500 or more

Patron's names will be displayed on a Supporters banner on the fence outside the band room during Home Football games, on the website and in programs printed and distributed by the band at each of the 3 band concerts throughout the year.

Donations in any amount are welcome and all donors will be recognized on the website and in the various band programs.

While patrons can give throughout the year, and we will certainly accept and appreciate a contribution at any time, we urge you to respond promptly.

Please use the form on the second page below and follow the instructions on the form.

The Boosters thank you for your contribution and support to sustain the Green Hope Band Programs
